VISUAL COMMUNICATION
SYSTEMS & EQUIPMENTS

www.btsdisplay.com

Our company which is established in 1998 used to be a trade company till 2001. After year 2001 we started also to produce in our premises.

Our head office and showroom are located at caglayan in an area of 500 m2, our showroom along has a surface of 150 m2.

Our factory which is situated at the address of beylikduzu organize san. Bölgesi, mermerciler sanayi sitesi is serving in a total surface of 2.400 mt2. 1500 mt2 is used by our production department, the remaining 900 mt2 is used by our offices.

We are using in our production the most advanced technologie and machinery in a big range of products we can count the followings: Visual Communication Systems & Equipments, handrailing accessories, bended tubes, handles, shelf systems, advertising panels and signage systems and all related accessories to be used with these systems.

Our company which has as principles the full customer's satisfaction, best service and high quality in products is exporting the %75 of its production.

We are giving enourmous importance to develop continously new products in order to give the best service in this field.

Our company as BTS Display and BTS Alüminyum San. Ve Tic. Ltd. Şti is honored by quality certificate of iso 9001-2008.

BTS Display wurde 1998 als Handelsunternehmen gegründet. Im Jahr 2001 starteten wir die eigene Produktion in unseren Räumlichkeiten. Wir sind ein exportorientiertes Unternehmen und exportieren 75% unserer Produktion.

Unser Hauptsitz in Istanbul-Caglayan verfügt über eine Fläche von 500 m2, davon 150 m2 Showroom.

Unsere Fabrik in Istanbul- Beylikduzu hat eine Gesamtfläche von 2.400 m2 (1500 m2 Produktionsfläche, 900 m2 Bürofläche).

Wir produzieren mit Maschinen der neusten Technologie und verfügen über langjaehrige Erfahrung.

Unsere Ziele sind: Erzielung voller Kundenzufriedenheit durch hohe Qualität der Produkte und besten Service. Wir legen einen hohen Wert Ihnen ständig Produktneuheiten anbieten zu können.

Unsere Unternehmen BTS Display und BTS Alüminyum San. Ve Tic. Şti sind mit dem Qualitätszertifikat ISO 9001-2000 ausgezeichnet.

CEILING SIGN

DECKE HINWEISSCHILDER

BTS Display supply a full range of suspended signs for retail and industrial. Our suspended ceiling signs allow you to produce professional, eye catching signs without blocking access routes and freeing up valuable merchandising space in corridors. Signs can be fixed directly to ceilings or walls using suspended cable or rod systems.
